PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
SEPTEMBER 19, 2000

INTRODUCTION

This proxy statement is furnished in connection with the solicitation of proxies in the form enclosed for use at the annual meeting of stockholders of Tegal Corporation, a Delaware corporation, to be held at 1:30 p.m. local time on Tuesday, September 19, 2000 and at any adjournments of the annual meeting for the purposes of (1) electing four directors, (2) approving an amendment to our 1998 equity plan to increase the number of shares available for issuance thereunder from 900,000 to 1,900,000, (3) approving an amendment to our stock option plan for outside directors to increase the number of shares available for issuance thereunder from 300,000 to 600,000 and (4) to transact such other business as may properly come before the annual meeting and any adjournments of the annual meeting. The approximate date when this proxy statement and accompanying proxy are first being sent to stockholders is August 11, 2000.

This solicitation is made on behalf of our board of directors. Costs of the solicitation will be borne by us. Our directors, officers and employees and our subsidiaries may also solicit proxies by telephone, telegraph, fax or personal interview. We will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy material to stockholders.

Holders of record of our common stock, par value \$0.01 per share, as of the close of business on July 31, 2000 are entitled to receive notice of, and to vote at, the annual meeting. The outstanding common stock constitutes the only class of our securities entitled to vote at the annual meeting, and each share of common stock entitles the holder to one vote. At the close of business on July 14, 2000, there were 12,488,199 shares of common stock issued and outstanding. Two or more stockholders representing a majority of the outstanding shares must be present in person or by proxy to constitute a quorum for the transaction of business at the annual meeting.

Unless contrary instructions are indicated on the proxy, all shares represented by valid proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted FOR

- the election of all of the directors nominated below;
- the amendment to our 1998 equity plan to increase the number of shares available for issuance thereunder from 900,000 to 1,900,000; and
- the amendment to our stock option plan for outside directors to increase the number of shares available for issuance thereunder from 300,000 to 600,000.

With respect to any other business which may properly come before the annual meeting and be submitted to a vote of stockholders, proxies received by the board of directors will be voted in accordance with the best judgment of the designated proxy holders. Any proxy may be revoked at any time before it is exercised by filing with the Secretary an instrument revoking it or by submitting prior to the time of the annual meeting a duly executed proxy bearing a later date. Stockholders who have executed and returned a proxy and who then attend the annual meeting and desire to vote in person are requested to so notify the Secretary prior to the time of the annual meeting.

Shares represented by proxies that reflect abstentions or "broker non-votes" (i.e., shares held by a broker or nominee which are represented at the annual meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal or proposals) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

In voting for the election of directors each share has one vote for each position to be filled, and there is no cumulative voting, which means that a simple majority of the shares voting may elect all of the directors. The amendment to the 1998 equity plan requires the approval of a majority of the shares of common stock present and entitled to vote at the annual meeting.

Our principal executive offices are located at 2201 South McDowell Boulevard, Petaluma, California 94954. Our telephone number is (707) 763-5600.

GENERAL INFORMATION

We were formed in December 1989 to acquire the operations of the former Tegal Corporation, a division of Motorola, Inc. The predecessor company was founded in 1972 and acquired by Motorola in 1978.

ELECTION OF DIRECTORS (PROPOSAL NO. 1)

Our board of directors is currently comprised of four members. Directors are elected at each annual meeting and hold office until their successors are duly elected and qualified at the next annual meeting. Pursuant to our bylaws, and a resolution adopted by the board of directors, the authorized number of members of the board of directors has been set at six. Our bylaws require that there be a minimum of two and maximum of eight members of the board of directors.

In the absence of instructions to the contrary, the persons named as proxy holders in the accompanying proxy intend to vote in favor of the election of the four nominees designated below to serve until the 2001 annual meeting of stockholders and until their respective successors shall have been elected and qualified. Messrs. Parodi, Krauss, Mika and Dohring are current directors. The board of directors expects that each of the nominees will be available to serve

as a director, but if any such nominee should become unavailable for election, it is intended that the shares represented by the proxy will be voted for such substitute nominee as may be designated by the board of directors.

He currently serves on the Board of Directors of MTI, Tropel, Chapman Instruments and is a Trustee of the SUNY Maritime College.

All directors hold office until our next annual meeting of the stockholders or until their successors have been duly elected or qualified. There are no family relationships between any of our directors or executive officers.

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

In fiscal year 2000, the board of directors held thirteen meetings (including eight written consents in lieu of meetings). All directors other than Fred Nazem attended at least 75% of the total number of board meetings and meetings of board committees on which the director served during the time he served on the board or committees. Mr. Nazem resigned from the board of directors in June 2000.

The board of directors has established an audit committee and a compensation committee. The audit committee, consisting of Messrs. Dohring, Krauss and Mika, reviews the adequacy of internal controls and the results and scope of the audit and other services provided by our independent auditors. The audit committee meets periodically with management and the independent auditors. The audit committee held one meeting in fiscal 2000. In June 2000, the audit committee adopted an audit committee charter.

For fiscal 2000, the compensation committee was comprised of Messrs. Dohring, Mika and Krauss. The compensation committee held two meetings in fiscal 2000. The functions of the compensation committee include establishing salaries, incentives and other forms of compensation for our officers and other employees and administering our incentive compensation and benefit plans.

DIRECTOR COMPENSATION

Our outside directors currently receive an annual \$12,000 retainer for service on the board of directors, meeting fees of \$1,500 per board meeting (\$750 per meeting for special meetings held telephonically) and \$1,125 per committee meeting not held in conjunction with a full board meeting (\$500 per meeting for committee meetings held telephonically). Furthermore, directors may be reimbursed for certain expenses in connection with attendance at board and committee meetings. In addition, we provide the Stock Option Plan for Outside Directors, pursuant to which non-employee directors receive stock options for serving on our board of directors.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

For fiscal 2000, the compensation committee was comprised of three directors: Messrs. Dohring, Mika and Krauss. Mr. Krauss is a Managing Member of Psilos Group Managers, a venture capital firm. Mr. Mika is

3

the Managing Director of International Management Technology Corporation and the President and Chief Executive Officer of Soupmasters International Inc. Mr. Dohring is the retired President of SVG Lithography Systems, Inc., a subsidiary of Silicon Valley Group, Inc. For a more detailed description of each of these individuals' background, see "Election of Directors."

COMPENSATION COMMITTEE REPORT

The information set forth below shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended (the "Securities Act"), or under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such Acts.

The compensation committee of the board of directors has furnished the following report on executive compensation.

OVERALL POLICY

In formulating the executive compensation program, the compensation committee's objectives were (1) to attract and retain competent executive talent and motivate executive officers to perform to the full extent of their abilities, (2) to tie a significant portion of executive compensation to the achievement of specified performance goals for Tegal, and (3) to link executive and stockholder interests through equity based plans.

The key elements of our executive compensation program consist of base salary, cash bonuses and stock options.

BASE SALARY

Each executive's base salary is reviewed annually, but as a general rule, significant base salary increases are limited to promotions, while lesser adjustments are made as appropriate after taking into account such factors as internal equity, comparable market salaries paid to individuals of comparable responsibility and company size and increases in levels of responsibility. All salaries are based on sustained individual performance toward our goals and objectives.

Pursuant to an employment agreement dated December 16, 1997 between Tegal and Stephen P. DeOrnellas, our Vice President, Technology and Corporate Development and Chief Technical Officer, Mr. DeOrnellas will receive a base salary of \$165,000, and certain other benefits set forth in the DeOrnellas Agreement. The DeOrnellas employment agreement shall expire on December 16, 2000. See -- "Chief Executive Officer Compensation" regarding the employment agreement of the Chief Executive Officer.

On June 11, 1996, the board of directors approved a severance arrangement in the event of a change of control of Tegal. If an executive officer is terminated as a result of a change of control, we shall continue to pay such executive officer's base salary and certain benefits for a period of twelve months.

BONUS PROGRAMS

In order to motivate executives and managers in the attainment of our annual goals and to enhance our ability to attract and retain key managerial employees through a competitive compensation package, we have adopted an annual performance bonus plan for executives and managers designated by the Chief Executive Officer and approved by the board of directors. Each designated position has an annual bonus incentive target expressed as a percentage of that executive's or manager's base salary. The attainment of the target bonus is determined by the degree to which an individual achieves specific annual objectives determined annually and reviewed and approved by the board of directors for all executives who report directly to the Chief Executive Officer, and by the degree to which we achieve our annual financial plan. No bonuses are to be paid unless we realize a minimum of 5 percent profit before taxes as a percent of revenue. Incentives are prorated if we

4

exceed or fall short of our annual financial plan goals, with the incentive maximums capped at 250% of target bonus amounts.

STOCK OPTIONS

We provide long-term incentive compensation through our equity plan which generally gives the board of directors authority to grant stock options as well as other types of awards. Stock options are designed to align the interests of executives and key personnel with those of the stockholders. The board of directors believes that significant equity interests in Tegal held by our management serve to retain and motivate management.

The board of directors' decision whether to grant options and the number of options are based primarily on the individual executive's responsibility, performance and existing stock ownership. In fiscal 2000, the board of directors made awards based on the board of directors' assessment of the individual executive's contribution to our success in meeting our financial goals. This assessment was based primarily on our earnings and the level of the executive's responsibility. The awards also were made based on non-financial performance measures such as individual performance, the recommendations of the Chief Executive Officer of Tegal and the success in implementing our long-term strategic plan. It is expected that most awards under the 1998 equity plan, will be stock options which will generally be granted with an exercise price equal to the market price of the common stock on the date of grant.

CHIEF EXECUTIVE OFFICER COMPENSATION

The compensation committee is charged with establishing the objectives and compensation of Michael L. Parodi, the Chief Executive Officer of Tegal, who is responsible for our strategic and financial performance. Mr. Parodi became the

APPROVAL OF THE AMENDMENT TO
THE AMENDED AND RESTATED
1998 EQUITY PARTICIPATION PLAN
(PROPOSAL NO. 2)

THE AMENDED AND RESTATED 1998 EQUITY PARTICIPATION PLAN

On July 8, 2000, the board of directors, subject to stockholder approval, unanimously adopted the amendment to the Amended and Restated 1998 Equity Participation Plan of Tegal Corporation increasing the number of shares available for issuance under the 1998 equity plan from 900,000 to 1,900,000.

The board of directors believes that the 1998 equity plan, as amended, is desirable:

- to provide an incentive for key employees and consultants of Tegal to further the growth, development and financial success of Tegal by personally benefiting through the ownership of Tegal's stock and/or rights which recognize such growth, development and financial success; and
- to enable Tegal to obtain and retain the services of key employee and consultants considered essential in the long-range success of Tegal by offering them an opportunity to own stock in Tegal and/or rights which will reflect the growth, development and financial success of Tegal.

Through July 14, 2000, 900,000 shares of common stock were reserved for issuance upon exercise of options under the 1998 equity plan as presently in effect. As of July 14, 2000, all 900,000 shares remain issuable under the 1998 equity plan, and 793,984 shares were subject to outstanding options.

The principal features of the 1998 equity plan, as amended, are summarized below, but the summary is qualified in its entirety by reference to the 1998 equity plan, as amended, which is attached as Appendix A to this proxy statement.

Under the 1998 equity plan, not more than 1,900,000 shares of common stock (or the equivalent in other equity securities) are authorized for issuance upon exercise of options and stock appreciation rights ("SARs") or upon vesting of restricted stock awards. Furthermore, the maximum number of shares that may be subject to any award granted under the 1998 equity plan to any individual in any calendar year cannot exceed 600,000. The shares available under the 1998 equity plan upon exercise of options and SARs and for issuance as restricted stock may be either previously authorized but unissued shares or treasury shares, and may be equity securities other than common stock. The 1998 equity plan provides for appropriate adjustments in the number and kind of shares subject to the 1998 equity plan and to outstanding grants thereunder (including acceleration of vesting in some instances) in the event of a change in control or a recapitalization such as a stock split or stock dividend. If any portion of an option, SAR or restricted stock award terminates or lapses unexercised, or is canceled upon grant of a new option, SAR or restricted stock award (which may be at a higher or lower exercise price than the option, SAR or restricted stock award so canceled), the shares which were subject to the unexercised portion of such option, SAR or restricted stock award, will continue to be available for issuance under the 1998 equity plan.

The compensation committee or another committee or a subcommittee of the board assuming the functions of the compensation committee under the 1998 equity plan administer the 1998 equity plan. The committee consists of two or more independent directors appointed by and holding office at the pleasure of the board, each of whom is both a "non-employee director" for purposes of Rule 16b-3 ("Rule 16b-3") under the Exchange Act and an "outside director" for purposes of Section 162(m) of the Internal Revenue Code. Appointment of committee members shall be effective upon acceptance of appointment. Committee members may resign at any time by delivering written notice to the board. Vacancies in the committee may be filled by the board. The committee will have the power to interpret the 1998 equity plan and to adopt such rules for the administration, interpretation, and application of the 1998 equity plan as are consistent therewith, to interpret, amend or revoke any such rules. The board will have discretion to exercise any and all rights and duties of the committee under the 1998 equity plan except with respect to matters which under Rule 16b-3 or Section 162(m) of the Internal Revenue Code, or any regulations or rules issued thereunder, are required to be determined in the sole discretion of the committee.

9

Options, restricted stock awards and SARs under the 1998 equity plan may be granted to committee-selected individuals who are then our employees or consultants.

The 1998 equity plan provides that we may grant or issue stock options, restricted stock and SARs or any combination of stock options, restricted stock and SARs. The terms and conditions of each award will be set forth in a separate award agreement between the holder of the award and us.

Nonqualified Stock Options ("NQSOs") will provide for the right to purchase common stock at a specified price which, except with respect to NQSOs intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code, may be less than fair market value on the date of grant (but not less than 85% of fair market value), and usually will become exercisable, in the discretion of the committee in one or more installments after the grant date, subject to the participant's continued provision of services to us and/or subject to the satisfaction of individual or company performance targets established by the committee. NQSOs may be granted for any term specified by the committee.

Incentive Stock Options ("ISOs") will be designed to comply with the provisions of the Internal Revenue Code and will be subject to certain restrictions contained in the Internal Revenue Code. Among such restrictions, ISOs must have an exercise price not less than the fair market value of a share of common stock on the date of grant, may only be granted to employees, must expire within a specified period of time following the optionee's termination of employment, and must be exercised within the ten years after the date of grant, but may be subsequently modified to disqualify them from treatment as ISOs. In the case of an ISO granted to an individual who owns (or is deemed to own) at least 10% of the total combined voting power of all classes of our stock, the 1998 equity plan provides that the exercise price must be at least 110% of the fair market value of a share of common stock on the date of grant, and the ISO must expire upon the fifth anniversary of the date of its grant.

Restricted Stock may be sold to participants at various prices (but not below par value) and made subject to such restrictions as may be determined by the board or committee. Restricted stock, typically, may be repurchased by us at the original purchase price if the conditions or restrictions are not met. In general, restricted stock may not be sold, or otherwise transferred or pledged, until restrictions are removed or expire. Purchasers of restricted stock will have all the rights of a stockholder with respect to such restricted stock, including the right to receive all dividends and other distributions paid or made with respect to the shares prior to the time when the restrictions lapse.

Stock Appreciation Rights ("SARs") may be granted in connection with stock options, or separately. SARs granted by the committee in connection with stock options typically will provide for payments to the holder based upon increases in the price of our common stock over the exercise price of the related option. SARs granted by the committee independent of a stock option typically will provide for payments to the holder based upon increases in the price of our common stock over the exercise price of such independent SAR. Except as required by Section 162(m) of the Internal Revenue Code with respect to a SAR which is intended to qualify as performance-based compensation as described in Section 162(m) of the Internal Revenue Code, there are no restrictions specified in the 1998 equity plan on the exercise of SARs or the amount of gain realizable therefrom, although restrictions may be imposed by the committee in the SAR agreements. The committee may elect to pay SARs in cash or in common stock or in a combination of both.

SECURITIES LAWS AND FEDERAL INCOME TAXES

The following discussion is a general summary of the material federal income tax consequences to participants in the 1998 equity plan. The discussion is based on the Internal Revenue Code, regulations thereunder, rulings and decisions now in effect, all of which are subject to change. The summary does not discuss all aspects of federal income taxation that may be relevant to a particular participant in light of such participant's personal investment circumstances. Also, state and local income taxes are not discussed and may vary from locality to locality. Accordingly, holders should not rely thereon for individual tax advice, as each taxpayer's situation and the consequences of any particular transaction will vary depending upon the specific facts and circumstances involved. Each taxpayer is advised to consult with his or her own tax advisor for particular federal, as well as state and local, income and any other tax advice.

10

Securities Laws. The 1998 equity plan is intended to conform to the extent necessary with all provisions of the Securities Act and the Exchange Act and any and all regulations and rules promulgated by the Securities and Exchange Commission thereunder, including, without limitation, Rule 16b-3. The 1998 equity plan will be administered, and awards will be granted and may be exercised, only in such a manner as to conform to such laws, rules and regulations. To the extent permitted by applicable law, the 1998 equity plan and awards granted thereunder shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

Nonqualified Stock Options. Nonqualified stock options are not intended to be incentive stock options under Section 422 of the Code. The grant of a nonqualified stock option is generally not a taxable event either for the optionee or for Tegal. Upon the exercise of a nonqualified stock option, the optionee generally will recognize ordinary income in an amount equal to the excess of the fair market value of the shares acquired upon exercise, determined at the date of exercise, over the exercise price of such option. Subject to Section 162(m) of the Code, Tegal will be entitled to a business expense deduction equal to such amount in the fiscal year of Tegal in which the optionee exercises the nonqualified stock option. The ordinary income recognized by the optionee is subject to income and employment tax withholding. The optionee's tax basis in the shares acquired pursuant to the exercise of a nonqualified stock option will be equal to the option price paid plus the amount of ordinary income recognized upon exercise. Any gain or loss on a disposition of the common stock acquired upon the exercise of a nonqualified stock option will be treated as short-term or long-term capital gain or loss, subject to income taxation at short-term or long-term capital gains rates depending on the holding period of the optionee measured from the date of the exercise of such option. There are generally no federal income tax consequences to Tegal by reason of the disposition by an optionee of common stock acquired upon the exercise of a

nonqualified stock option.

If an optionee delivers previously acquired shares of the common stock of Tegal to pay the option price upon exercise of a non-qualified option, the shares of common stock so acquired that are equal in fair market value to the shares surrendered, measured at the date of exercise, generally will qualify for nonrecognition of gain. The tax basis of such shares will be equal to the optionee's basis in the shares surrendered and the holding period for purposes of determining capital gain or loss treatment with respect to subsequent appreciation or depreciation will be measured to include the optionee's holding period with respect to the surrendered shares. Shares of common stock of Tegal so acquired that exceed the fair market value of the shares surrendered will be taxable as ordinary income to the optionee. Tegal will be subject to a withholding obligation for income and employment taxes with respect to the amount of ordinary income recognized by the optionee and will be entitled to a deduction equal to the amount of such ordinary income. The optionee's basis in such shares is equal to the amount of ordinary income so recognized and the holding period for subsequent capital gain (or loss) will be measured from the exercise date.

Incentive Stock Options. Generally, an optionee recognizes no taxable income upon the grant or exercise of an incentive stock option that meets the requirements of Code Section 422. However, the amount by which the fair market value of the common stock acquired at the time of exercise exceeds the option exercise price (the "spread") is taken into the account in determining the amount, if any, of the alternative minimum tax due from the optionee in the year in which the option is exercised. In addition, if the optionee exercises the option by paying the option price with shares of common stock, the transfer of such common stock may result in taxable income to the optionee even though the transfer itself will not affect the favorable tax treatment of the common stock received as a result of exercising the option.

If an optionee holds the common stock acquired through the exercise of an incentive stock option for more than two years from the date on which the option was granted and more than one year from the date on which the option was exercised, and if the optionee is an employee of Tegal at all times from the date of the grant of the incentive stock option through the date that is three months before the date of exercise, any gain or loss on the subsequent disposition of such common stock will be taxed to such optionee as long-term capital gain or loss equal to the difference between consideration received upon such disposition and the option exercise price.

Generally, if an optionee disposes of the common stock received on exercise of an incentive stock option less than two years after the date the option was granted or less than one year after the date the option was exercised, it is considered to be a "disqualifying disposition." At the time of such disqualifying disposition, the optionee will recognize ordinary income in the amount equal to the lesser of (i) the fair market value of the common stock on the date of exercise over the option exercise price; or (ii) the amount received for the common stock over the option exercise price. Any gain in excess of this amount will be taxed as capital gain.

To the extent that an optionee recognizes ordinary income by reason of a disqualifying disposition of common stock acquired upon the exercise of any incentive stock option, Tegal generally will be entitled to a corresponding business expense deduction in the fiscal year of Tegal in which the disqualifying disposition occurs, subject to Section 162(m) of the Code.

Restricted Stock. A holder of restricted stock generally will recognize ordinary income an amount equal to the excess of the fair market value of the common stock (determined without regard to any restrictions other than those that by their terms never lapse) over the amount, if any, paid for the common stock on the earlier of the date on which: (i) the common stock is no longer subject to a substantial risk of forfeiture or (ii) is transferable (without the transferee being subject to a substantial risk of forfeiture). If, as of such date, the holder cannot sell the common stock without incurring liability under Section 16(b) of the Exchange Act, the holder generally will not recognize ordinary income with respect to the receipt of the common stock until such time as the holder can sell the common stock without incurring liability under Section 16(b) of the Exchange Act. For purposes of determining the holder's income resulting from the receipt of the common stock, the fair market value

will be determined as of that date.

In the alternative, if the holder files an election with the Internal Revenue Service pursuant to Section 83(b) of the Code within 30 days of the receipt of the common stock pursuant to an award of restricted stock, the holder will be taxed in the year the common stock is received on the difference between the fair market value of the common stock at the time of receipt and the amount paid for the common stock, if any. This amount will be taxed as ordinary income. If shares with respect to which a Section 83(b) election has been made are later forfeited, the holder generally will be entitled to a capital loss only in an amount equal to the amount, if any, that the holder had paid for the forfeited shares, not the amount that the holder had recognized as income as a result of the Section 83(b) election. Subject to Section 162(m) of the Code, Tegal is entitled to a business expense deduction that corresponds to the amount of ordinary income recognized by the holder in the fiscal year of Tegal in which such ordinary income is recognized by the holder.

Stock Appreciation Rights. Generally, the holder of a stock appreciation right recognizes no income upon the grant of a stock appreciation right. Upon exercise, the holder will recognize as ordinary income the excess of the value of the stock appreciation right on the date of exercise over the value as of the date of grant. If the stock appreciation right is paid in cash, the appreciation is taxable under Section 61 of the Code. If the committee determines to transfer shares of common stock to the holder in full or partial payment of the appreciation, the fair market value of the common stock so received over the amount paid therefor by the holder, if any, is taxable as ordinary income under Section 83 of the Code as of the date the stock appreciation right is exercised. Subject to Section 162(m) of the Code, Tegal is entitled to a business expense deduction that corresponds to the amount of ordinary income recognized by the holder in the fiscal year of Tegal in which the stock appreciation right is exercised.

Section 162(m) Limitation. In general, under Section 162(m) of the Internal Revenue Code, income tax deductions of publicly-held corporations may be limited to the extent total compensation (including base salary, annual bonus, stock option exercises, transfers of property and benefits paid under non-qualified plans) for certain executive officers exceeds \$1 million (less the amount of any "excess parachute payments" as defined in Section 280G of the Internal Revenue Code) in any one year. However, under Section 162(m), the deduction limit does not apply to certain "performance-based compensation."

Under Section 162(m), stock options and SARs will satisfy the "performance-based compensation" exception if the award of the options or SARs are made by a board of directors committee consisting solely of 2 or more "outside directors," the plan sets the maximum number of shares that can be granted to any person within a specified period and the compensation is based solely on an increase in the stock price after the grant

12

date (i.e. the option or SAR exercise price is equal to or greater than the fair market value of the stock subject to the award on the grant date). Other types of awards such as restricted stock may only qualify as "performance-based compensation" if such awards are only granted or payable to the recipients based upon the attainment of objectively determinable and pre-established performance goals which are established by a qualifying committee and which relate to performance targets which are approved by the corporation's shareholders.

The 1998 equity plan has been designed to permit a committee of outside directors, within the meaning of Section 162(m), to grant stock options, restricted stock and SARs that will qualify as "performance-based compensation." In addition, in order to permit awards other than stock options and SARs to qualify as "performance-based compensation, the 1998 equity plan provides that the committee may designate as "Section 162(m) Participants" certain employees whose compensation for a given fiscal year may be subject to the limit on deductible compensation imposed by Section 162(m) of the Internal Revenue Code. The committee may grant awards to Section 162(m) Participants that vest or become exercisable upon the attainment of performance targets established by the committee.

THE BOARD UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE AMENDMENT TO THE 1998 EQUITY PLAN.

APPROVAL OF THE AMENDMENT TO
THE AMENDED AND RESTATED
STOCK OPTION PLAN FOR OUTSIDE DIRECTORS
(PROPOSAL NO. 3)

AMENDED AND RESTATED STOCK OPTION PLAN FOR OUTSIDE DIRECTORS

On July 8, 2000 the board of directors, subject to stockholder approval, unanimously adopted the amendment to the Amended and Restated Stock Option Plan for Outside Directors of Tegal Corporation increasing the number of shares available for issuance under the directors plan from 300,000 to 600,000.

The board of directors believes that the directors plan, as amended, is desirable: (1) to further the growth, development and financial success of the Company by providing additional incentives to its outside directors who share in the responsibility for the management of the Company's business by assisting them to become owners of Common Stock and thus to benefit directly from its growth, development and financial success and (2) to enable the Company to obtain and retain the services of the type of outside directors considered essential to the long-range success of the Company by providing and offering them an opportunity to become owners of Common Stock.

Time commitments for service as a director of public companies have increased in recent years. These increasing demands on directors' time have greatly increased the competition for potential directors who possess the talents, skills, judgment, personal attributes and other characteristics of an outstanding director. This competition is especially keen with respect to persons who are not officers or employees of the corporation for which they are asked to serve as directors. The board of directors adopted the amendment to the directors plan to enhance the Company's ability to attract and retain well qualified individuals to serve as directors of the Company.

Through July 8, 2000, 300,000 shares of Common Stock were reserved for issuance upon exercise of options under the directors plan as presently in effect. As of July 14, 2000, 100,000 shares remain issuable under the directors plan, and 200,000 shares were subject to outstanding options.

The principal features of the directors plan, as amended, are summarized below, but the summary is qualified in its entirety by reference to the directors plan, as amended, which is attached hereto as Appendix B to this Proxy Statement.

The directors plan is administered by the board of directors. The board has the power to interpret the directors plan and the options issued thereunder and to adopt such rules for the administration, interpretation and application of the directors plan as are consistent therewith and to interpret, amend or revoke any such rules.

Options will be granted to any member of the board of directors (an "outside director") who is not an employee of the Company or its subsidiaries as defined under Section 3401(c) of the Code and who is not legally or contractually prohibited from receiving and holding personally an option.

As amended, a maximum of 600,000 shares of common stock may be issued upon exercise of options granted under the directors plan. The directors plan provides for the issuance of equity interests in the Company in the form of stock options that do not qualify as "incentive stock options," as defined under the Code.

An outside director shall automatically be granted an option to purchase 20,000 shares of Common Stock upon an outside director's election or appointment to the board of directors (including those outside directors who are nominees for election as directors in this Annual Meeting) and on each second anniversary thereafter an option to purchase an additional 20,000 shares of Common Stock (collectively, the "Directors Option"), provided that such outside director continues to serve as an outside director as of such date. The Director's Option shall vest in equal installments on each anniversary of the date of such option's grant; provided, however, that, at the discretion of the board of directors, the vesting may be accelerated when the fair market

value of the Company's Common Stock equals a certain price, which price shall be established by the board of directors on the date of grant of such option.

Notwithstanding the foregoing, an outside director may not exercise an otherwise exercisable option unless such outside director attended at least 75% of the meetings of the board of directors during the twelve month period (the "Attendance Period") preceding the date of exercise of such option; provided, however, that installments of such option which become exercisable prior to the commencement of the Attendance Period will remain exercisable by the outside director. The price of the shares subject to each option will be the fair market value of such shares on the date such option is granted.

No option granted under the directors plan may be exercised by anyone after the first to occur of the following events: (a) the expiration of ten years from the date an option was granted; (b) the expiration of six months from the date of the optionee's termination of directorship for any reason other than such optionee's death unless the optionee dies within said six-month period; or (c) the expiration of one year from the date of the optionee's death. An option granted under the directors plan will become exercisable as to all shares covered thereby upon certain corporate transactions or a change of control, as more specifically provided in the directors plan.

SECURITIES LAWS AND FEDERAL INCOME TAXES

The following discussion is a general summary of the material federal income tax consequences to participants in the directors plan. The discussion is based on the Code, regulations thereunder, rulings and decisions now in effect, all of which are subject to change. The summary does not discuss all aspects of federal income taxation that may be relevant to a particular participant in light of such participant's personal investment circumstances. Also, state and local income taxes are not discussed and may vary from locality to locality.

Securities Laws. The directors plan is intended to conform to the extent necessary with all provisions of the Securities Act and the Exchange Act and any and all regulations and rules promulgated by the Securities and Exchange Commission thereunder, including, without limitation, Rule 16b-3. The directors plan will be administered, and options will be granted and may be exercised, only in such a manner as to conform to such laws, rules and regulations. To the extent permitted by applicable law, the directors plan and options granted thereunder shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

Nonqualified Stock Options. Participants who hold nonqualified stock options do not recognize income as a result of the grant of such options, but normally recognize compensation taxable at ordinary income rates upon the exercise of such options to the extent that the fair market value of the shares of Common Stock on the date of the exercise of such options exceeds the option exercise price paid. However, in the case of a participant subject to Section 16(b) of the Exchange Act, including, the members of the board of directors of the Company, who has held a nonqualified stock option for less than six months and exercises such option, the ordinary income portion generally would be calculated using the fair market value of the shares upon the lapse of the six-month period from the date of grant of such option rather than the fair market value on the date of exercise, unless the participant elects to recognize income immediately upon exercise in accordance with Section 83(b) of the Code. The Company will be entitled to a tax deduction in an amount equal to the amount that the participant is required to include in ordinary income at the time of such inclusion, and will be required to withhold taxes on such ordinary income. The participant's initial tax basis for shares of Common Stock acquired upon the exercise of a nonqualified stock option will be the option exercise price paid plus the amount of ordinary income recognized by the participant.

SHARES SUBJECT TO PLAN

2.1 Shares Subject to Plan.

(a) The shares of stock subject to Awards shall be Common Stock, initially shares of the Company's Common Stock, par value \$.01 per share. (b) The maximum number of shares which may be subject to Awards, granted under the Plan to any individual in any fiscal year shall not exceed the Award Limit. To the extent required by Section 162(m) of the Code, shares subject to Options which are canceled continue to be counted against the Award Limit.

2.2 Add-back of Options and Other Rights. If any Option, or other right to acquire shares of Common Stock under any other Award under the Plan, expires or is canceled without having been fully exercised, or is exercised in whole or in part for cash as permitted by the Plan, the number of shares subject to such Option or other right but as to which such Option or other right was not exercised prior to its expiration, cancellation or exercise may again be optioned, granted or awarded hereunder, subject to the limitations of Section 2.1. Notwithstanding the provisions of this Section 2.2, no shares of Common Stock may again be optioned, granted or awarded if such action would cause an Incentive Stock Option to fail to qualify as an incentive stock option under Section 422 of the Code.

A-4

ARTICLE III.

GRANTING OF AWARDS

3.1 Award Agreement. Each Award shall be evidenced by an Award Agreement. Award Agreements evidencing Awards intended to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code shall contain such terms and conditions as may be necessary to meet the applicable provisions of Section 162(m) of the Code. Award Agreements evidencing Incentive Stock Options shall contain such terms and conditions as may be necessary to meet the applicable provisions of Section 422 of the Code.

3.2 Provisions Applicable to Section 162(m) Participants.

(a) The Committee, in its discretion, may determine whether an Award is to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code.

(b) Notwithstanding anything in the Plan to the contrary, the Committee may grant any Award to a Section 162(m) Participant, including Restricted Stock the restrictions with respect to which lapse upon the attainment of performance goals which are related to one or more of the Performance Criteria.

(c) To the extent necessary to comply with the performance-based compensation requirements of Section 162(m)(4)(C) of the Code, with respect to any Award granted under Article VII which may be granted to one or more Section 162(m) Participants, no later than ninety (90) days following the commencement of any fiscal year in question or any other designated fiscal period or period of service (or such other time as may be required or permitted by Section 162(m) of the Code), the Committee shall, in writing, (i) designate one or more Section 162(m) Participants, (ii) select the Performance Criteria applicable to the fiscal year or other designated fiscal period or period of service, (iii) establish the various performance targets, in terms of an objective formula or standard, and amounts of such Awards, as applicable, which may be earned for such fiscal year or other designated fiscal period or period of service and (iv) specify the relationship between Performance Criteria and the performance targets and the amounts of such Awards, as applicable, to be earned by each Section 162(m) Participant for such fiscal year or other designated fiscal period or period of service. Following the completion of each fiscal year or other designated fiscal period or period of service, the Committee shall certify in writing whether the applicable performance targets have been achieved for such fiscal year or other designated fiscal period or period of service. In determining the amount earned by a Section 162(m) Participant, the Committee shall have the right to reduce (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant to the assessment of individual or corporate performance for the fiscal year or other designated fiscal period or period of service.

(d) Furthermore, notwithstanding any other provision of the Plan, any Award which is granted to a Section 162(m) Participant and is intended to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code shall be subject to any additional limitations set forth in Section 162(m) of the Code (including any amendment to Section 162(m) of the Code) or any regulations or rulings issued thereunder that are requirements for qualification as performance-based compensation as described in Section 162(m)(4)(C) of the Code, and the Plan shall be deemed amended to the extent necessary to conform to such requirements.

3.3 Limitations Applicable to Section 16 Persons. Notwithstanding any other provision of the Plan, the Plan, and any Award granted or awarded to any individual who is then subject to Section 16 of the Exchange Act, shall be

subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

3.4 At-Will Employment. Nothing in the Plan or in any Award Agreement hereunder shall confer upon any Holder any right to continue in the employ of, or as a Consultant for, the Company or any

A-5

Subsidiary, or shall interfere with or restrict in any way the rights of the Company and any Subsidiary, which are hereby expressly reserved, to discharge any Holder at any time for any reason whatsoever, with or without cause, except to the extent expressly provided otherwise in a written employment agreement between the Holder and the Company and any Subsidiary.

ARTICLE IV.

GRANTING OF OPTIONS TO EMPLOYEES AND CONSULTANTS

4.1 Eligibility. Any Employee or Consultant selected by the Committee pursuant to Section 4.4(a)(i) shall be eligible to be granted an Option.

4.2 Disqualification for Stock Ownership. No person may be granted an Incentive Stock Option under the Plan if such person, at the time the Incentive Stock Option is granted, owns stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any then existing Subsidiary or parent corporation (within the meaning of Section 422 of the Code) unless such Incentive Stock Option conforms to the applicable provisions of Section 422 of the Code.

4.3 Qualification of Incentive Stock Options. No Incentive Stock Option shall be granted to any person who is not an Employee.

4.4 Granting of Options to Employees and Consultants.

(a) The Committee shall from time to time, in its absolute discretion, and subject to applicable limitations of the Plan:

(i) Determine which Employees are key Employees and select from among the key Employees or Consultants (including Employees or Consultants who have previously received Awards under the Plan) such of them as in its opinion should be granted Options;

(ii) Subject to the Award Limit, determine the number of shares to be subject to such Options granted to the selected key Employees or Consultants;

(iii) Subject to Section 4.3, determine whether such Options are to be Incentive Stock Options or Non-Qualified Stock Options and whether such Options are to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code; and

(iv) Determine the terms and conditions of such Options, consistent with the Plan; provided, however, that the terms and conditions of Options intended to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code shall include, but not be limited to, such terms and conditions as may be necessary to meet the applicable provisions of Section 162(m) of the Code.

(b) Upon the selection of a key Employee or Consultant to be granted an Option, the Committee shall instruct the Secretary of the Company to issue the Option and may impose such conditions on the grant of the Option as it deems appropriate.

(c) Any Incentive Stock Option granted under the Plan may be modified by the Committee, with the consent of the Holder, to disqualify such Option from treatment as an "incentive stock option" under Section 422 of the Code.

A-6

ARTICLE V.

TERMS OF OPTIONS

5.1 Option Price. The price per share of the shares subject to each Option granted to Employees and Consultants shall be set by the Committee; provided, however, that such price shall be no less than 85% of the Fair Market Value of a share of Common Stock on the date the Option is granted and:

(a) in the case of Options intended to qualify as performance-based compensation as described in Section 162(m)(4)(C) of the Code, such price shall not be less than 100% of the Fair Market Value of a share of Common Stock on the date the Option is granted;

(b) in the case of Incentive Stock Options such price shall not be less than 100% of the Fair Market Value of a share of Common Stock on the date the Option is granted (or the date the Option is modified, extended or renewed for purposes of Section 424(h) of the Code); and

(c) in the case of Incentive Stock Options granted to an individual then owning (within the meaning of Section 424(d) of the Code) more than 10% of the total combined voting power of all classes of stock of the Company or any Subsidiary or parent corporation thereof (within the meaning of Section 422 of the Code), such price shall not be less than 110% of the Fair Market Value of a share of Common Stock on the date the Option is granted (or the date the Option is modified, extended or renewed for purposes of Section 424(h) of the Code).

5.2 Option Term. The term of an Option granted to an Employee or consultant shall be set by the Committee in its discretion; provided, however, that, in the case of Incentive Stock Options, the term shall not be more than ten (10) years from the date the Incentive Stock Option is granted, or five (5) years from the date the Incentive Stock Option is granted if the Incentive Stock Option is granted to an individual then owning (within the meaning of Section 424(d) of the Code) more than 10% of the total combined voting power of all classes of stock of the Company or any Subsidiary or parent corporation thereof (within the meaning of Section 422 of the Code). Except as limited by requirements of Section 422 of the Code and regulations and rulings thereunder applicable to Incentive Stock Options, the Committee may extend the term of any outstanding Option in connection with any Termination of Employment or Termination of Consultancy of the Holder, or amend any other term or condition of such Option relating to such a termination.

5.3 Option Vesting

(a) The period during which the right to exercise, in whole or in part, an Option granted to an Employee or a Consultant vests in the Holder shall be set by the Committee and the Committee may determine that an Option may not be exercised in whole or in part for a specified period after it is granted; provided, however, that, unless the Committee otherwise provides in the terms of the Award Agreement or otherwise, no Option shall be exercisable by any Holder who is then subject to Section 16 of the Exchange Act within the period ending six months and one day after the date the Option is granted. At any time after grant of an Option, the Committee may, in its sole and absolute discretion and subject to whatever terms and conditions it selects, accelerate the period during which an Option granted to an Employee or Consultant vests.

(b) No portion of an Option granted to an Employee or Consultant which is unexercisable at Termination of Employment or Termination of Consultancy, as applicable, shall thereafter become exercisable, except as may be otherwise provided by the Committee either in the Award Agreement or by action of the Committee following the grant of the Option.

(c) To the extent that the aggregate Fair Market Value of stock with respect to which "incentive stock options" (within the meaning of Section 422 of the Code, but without regard to Section 422(d) of the Code) are exercisable for the first time by a Holder during any calendar year (under the Plan and all other incentive stock option plans of the Company and any parent or subsidiary corporation, within the meaning of Section 422 of the Code) of the Company, exceeds \$100,000, such Options shall be treated as Non-Qualified Options to the extent required by Section 422 of the Code. The rule set forth in the preceding sentence shall be applied by taking Options into account in the order in which

they were granted. For purposes of this

A-7

Section 5.3(c), the Fair Market Value of stock shall be determined as of the time the Option with respect to such stock is granted.

5.4 Substitute Awards. Notwithstanding the foregoing provisions of this Article V to the contrary, in the case of an Option that is a Substitute Award, the price per share of the shares subject to such Option may be less than the Fair Market Value per share on the date of grant, provided, that the excess of:

(a) the aggregate Fair Market Value (as of the date such Substitute Award is granted) of the shares subject to the Substitute Award; over

(b) the aggregate exercise price thereof; does not exceed the excess of;

(c) the aggregate fair market value (as of the time immediately preceding the transaction giving rise to the Substitute Award, such fair market value to be determined by the Committee) of the shares of the predecessor entity that were subject to the grant assumed or substituted for by the Company; over

(d) the aggregate exercise price of such shares.

ARTICLE VI.

EXERCISE OF OPTIONS

6.1 Partial Exercise. An exercisable Option may be exercised in whole or in part. However, an Option shall not be exercisable with respect to fractional shares and the Administrator may require that, by the terms of the Option, a partial exercise be with respect to a minimum number of shares.

6.2 Manner of Exercise. All or a portion of an exercisable Option shall be deemed exercised upon delivery of all of the following to the Secretary of the Company or his office:

(a) A written notice complying with the applicable rules established by the Administrator stating that the Option, or a portion thereof, is exercised. The notice shall be signed by the Holder or other person then entitled to exercise the Option or such portion of the Option;

(b) Such representations and documents as the Administrator, in its absolute discretion, deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal or state securities laws or regulations. The Administrator may, in its absolute discretion, also take whatever additional actions it deems appropriate to effect such compliance including, without limitation, placing legends on share certificates and issuing stop-transfer notices to agents and registrars;

(c) In the event that the Option shall be exercised pursuant to Section 10.1 by any person or persons other than the Holder, appropriate proof of the right of such person or persons to exercise the Option; and

(d) Full cash payment to the Secretary of the Company for the shares with respect to which the Option, or portion thereof, is exercised. However, the Administrator, may in its discretion (i) allow a delay in payment up to thirty (30) days from the date the Option, or portion thereof, is exercised; (ii) allow payment, in whole or in part, through the delivery of shares of Common Stock which have been owned by the Holder for at least six months, duly endorsed for transfer to the Company with a Fair Market Value on the date of delivery equal to the aggregate exercise price of the Option or exercised portion thereof; (iii) allow payment, in whole or in part, through the surrender of shares of Common Stock then issuable upon exercise of the Option having a Fair Market Value on the date of Option exercise equal to the aggregate exercise price of the Option or exercised portion thereof; (iv) allow payment, in whole or in part, through the delivery of property of any kind which constitutes good and valuable consideration; (v) allow payment, in whole or in part, through the delivery of a full recourse promissory note bearing interest (at no less than such

rate as shall then preclude the imputation of interest under the Code) and payable upon such terms as may be prescribed by the Administrator; (vi) allow payment, in whole or in part, through the delivery of a notice that the Holder has placed a market sell order with a broker with respect to shares of Common Stock then issuable upon exercise of

A-8

the Option, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to the Company in satisfaction of the Option exercise price, provided that payment of such proceeds is then made to the Company upon settlement of such sale; or (vii) allow payment through any combination of the consideration provided in the foregoing subparagraphs (ii), (iii), (iv), (v) and (vi). In the case of a promissory note, the Administrator may also prescribe the form of such note and the security to be given for such note. The Option may not be exercised, however, by delivery of a promissory note or by a loan from the Company when or where such loan or other extension of credit is prohibited by law.

6.3 Conditions to Issuance of Stock Certificates. The Company shall not be required to issue or deliver any certificate or certificates for shares of stock purchased upon the exercise of any Option or portion thereof prior to fulfillment of all of the following conditions:

(a) The admission of such shares to listing on all stock exchanges on which such class of stock is then listed;

(b) The completion of any registration or other qualification of such shares under any state or federal law, or under the rulings or regulations of the Securities and Exchange Commission or any other governmental regulatory body which the Administrator shall, in its absolute discretion, deem necessary or advisable;

(c) The obtaining of any approval or other clearance from any state or federal governmental agency which the Administrator shall, in its absolute discretion, determine to be necessary or advisable;

(d) The lapse of such reasonable period of time following the exercise of the Option as the Administrator may establish from time to time for reasons of administrative convenience; and

(e) The receipt by the Company of full payment for such shares, including payment of any applicable withholding tax, which in the discretion of the Administrator may be in the form of consideration used by the Holder to pay for such shares under Section 6.2(d).

6.4 Rights as Stockholders. Holders shall not be, nor have any of the rights or privileges of, stockholders of the Company in respect of any shares purchasable upon the exercise of any part of an Option unless and until certificates representing such shares have been issued by the Company to such Holders.

6.5 Ownership and Transfer Restrictions. The Administrator, in its absolute discretion, may impose such restrictions on the ownership and transferability of the shares purchasable upon the exercise of an Option as it deems appropriate. Any such restriction shall be set forth in the respective Award Agreement and may be referred to on the certificates evidencing such shares. The Holder shall give the Company prompt notice of any disposition of shares of Common Stock acquired by exercise of an Incentive Stock Option within (a) two years from the date of granting (including the date the Option is modified, extended or renewed for purposes of Section 424(h) of the Code) such Option to such Holder or (b) one year after the transfer of such shares to such Holder.

6.6 Additional Limitations on Exercise of Options. Holders may be required to comply with any timing or other restrictions with respect to the settlement or exercise of an Option, including a window-period limitation, as may be imposed in the discretion of the Administrator.

ARTICLE VII.

AWARD OF RESTRICTED STOCK

7.1 Eligibility. Subject to the Award Limit, Restricted Stock may be awarded to any Employee who the Committee determines is a key Employee or any Consultant who the Committee determines should receive such an Award.

A-9

7.2 Award of Restricted Stock.

(a) The Committee may from time to time, in its absolute discretion:

(i) Determine which Employees are key Employees and select from among the key Employees or Consultants (including Employees or Consultants who have previously received other awards under the Plan) such of them as in its opinion should be awarded Restricted Stock; and

(ii) Determine the purchase price, if any, and other terms and conditions applicable to such Restricted Stock, consistent with the Plan.

(b) The Committee shall establish the purchase price, if any, and form of payment for Restricted Stock; provided, however, that such purchase price shall be no less than the par value of the Common Stock to be purchased, unless otherwise permitted by applicable state law. In all cases, legal consideration shall be required for each issuance of Restricted Stock.

(c) Upon the selection of a key Employee or Consultant to be awarded Restricted Stock, the Committee shall instruct the Secretary of the Company to issue such Restricted Stock and may impose such conditions on the issuance of such Restricted Stock as it deems appropriate.

7.3 Rights as Stockholders. Subject to Section 7.4, upon delivery of the shares of Restricted Stock to the escrow holder pursuant to Section 7.6, the Holder shall have, unless otherwise provided by the Committee, all the rights of a stockholder with respect to said shares, subject to the restrictions in his Award Agreement, including the right to receive all dividends and other distributions paid or made with respect to the shares; provided, however, that in the discretion of the Committee, any extraordinary distributions with respect to the Common Stock shall be subject to the restrictions set forth in Section 7.4.

7.4 Restriction. All shares of Restricted Stock issued under the Plan (including any shares received by holders thereof with respect to shares of Restricted Stock as a result of stock dividends, stock splits or any other form of recapitalization) shall, in the terms of each individual Award Agreement, be subject to such restrictions as the Committee shall provide, which restrictions may include, without limitation, restrictions concerning voting rights and transferability and restrictions based on duration of employment with the Company, Company performance and individual performance; provided, however, that, unless the Committee otherwise provides in the terms of the Award Agreement or otherwise, no share of Restricted Stock granted to a person subject to Section 16 of the Exchange Act shall be sold, assigned or otherwise transferred until at least six months and one day have elapsed from the date on which the Restricted Stock was issued, and provided, further, that, except with respect to shares of Restricted Stock granted to Section 162(m) Participants, by action taken after the Restricted Stock is issued, the Committee may, on such terms and conditions as it may determine to be appropriate, remove any or all of the restrictions imposed by the terms of the Award Agreement. Restricted Stock may not be sold or encumbered until all restrictions are terminated or expire. If no consideration was paid by the Holder upon issuance, a Holder's rights in unvested Restricted Stock shall lapse, and such Restricted Stock shall be surrendered to the Company without consideration, upon Termination of Employment or, if applicable, upon Termination of Consultancy with the Company; provided, however, that the Committee in its sole and absolute discretion may provide that such rights shall not lapse in the event of a Termination of Employment following a "change of ownership or control" (within the meaning of Treasury Regulation Section 1.162-27(e)(2)(v) or any successor regulation thereto) of the Company or because of the Holder's death or disability; provided, further, except with respect to shares of Restricted Stock granted to Section 162(m) Participants, the Committee in its sole and absolute discretion may provide that no such lapse or surrender shall occur in the event of a Termination of Employment, or a Termination of Consultancy, without cause or following any Change in Control of the Company or because of the Holder's retirement, or otherwise.

7.5 Repurchase of Restricted Stock. The Committee shall provide in the terms of each individual Award Agreement that the Company shall have the right to repurchase from the Holder the Restricted Stock then subject to restrictions under the Award Agreement immediately upon a Termination of Employment or, if applicable, upon a Termination of Consultancy between the Holder and the Company, at a cash price per share equal to the price paid by the Holder for such Restricted Stock; provided, however, that the Committee

A-10

in its sole and absolute discretion may provide that no such right of repurchase shall exist in the event of a Termination of Employment following a "change of ownership or control" (within the meaning of Treasury Regulation Section 1.162-27(e)(2)(v) or any successor regulation thereto) of the Company or because of the Holder's death or disability; provided, further, that, except with respect to shares of Restricted Stock granted to Section 162(m) Participants, the Committee in its sole and absolute discretion may provide that no such right of repurchase shall exist in the event of a Termination of Employment or a Termination of Consultancy without cause or following any Change in Control of the Company or because of the Holder's retirement, or otherwise.

7.6 Escrow. The Secretary of the Company or such other escrow holder as the Committee may appoint shall retain physical custody of each certificate representing Restricted Stock until all of the restrictions imposed under the Award Agreement with respect to the shares evidenced by such certificate expire or shall have been removed.

7.7 Legend. In order to enforce the restrictions imposed upon shares of Restricted Stock hereunder, the Committee shall cause a legend or legends to be placed on certificates representing all shares of Restricted Stock that are still subject to restrictions under Award Agreements, which legend or legends shall make appropriate reference to the conditions imposed thereby.

7.8 Section 83(b) Election. If a Holder makes an election under Section 83(b) of the Code, or any successor section thereto, to be taxed with respect to the Restricted Stock as of the date of transfer of the Restricted Stock rather than as of the date or dates upon which the Holder would otherwise be taxable under Section 83(a) of the Code, the Holder shall deliver a copy of such election to the Company immediately after filing such election with the Internal Revenue Service.

ARTICLE VIII.

STOCK APPRECIATION RIGHTS

8.1 Grant of Stock Appreciation Rights. A Stock Appreciation Right may be granted to any key Employee or Consultant selected by the Committee. A Stock Appreciation Right may be granted (a) in connection and simultaneously with the grant of an Option, (b) with respect to a previously granted Option, or (c) independent of an Option. A Stock Appreciation Right shall be subject to such terms and conditions not inconsistent with the Plan as the Committee shall impose and shall be evidenced by an Award Agreement.

8.2 Coupled Stock Appreciation Rights.

(a) A Coupled Stock Appreciation Right ("CSAR") shall be related to a particular Option and shall be exercisable only when and to the extent the related Option is exercisable.

(b) A CSAR may be granted to the Holder for no more than the number of shares subject to the simultaneously or previously granted Option to which it is coupled.

(c) A CSAR shall entitle the Holder (or other person entitled to exercise the Option pursuant to the Plan) to surrender to the Company unexercised a portion of the Option to which the CSAR relates (to the extent then exercisable pursuant to its terms) and to receive from the Company in exchange therefor an amount determined by multiplying the difference obtained by subtracting the Option exercise price from the Fair Market Value of a share of Common Stock on the date of exercise of the CSAR by the number of shares of Common Stock with respect to which the CSAR shall have been exercised, subject to any limitations the Committee may impose.

8.3 Independent Stock Appreciation Rights.

(a) An Independent Stock Appreciation Right ("ISAR") shall be unrelated to any Option and shall have a term set by the Committee. An ISAR shall be exercisable in such installments as the Committee may determine. An ISAR shall cover such number of shares of Common Stock as the Committee may determine; provided, however, that unless the Committee otherwise provides in the terms of the ISAR or otherwise, no ISAR granted to a person subject to Section 16 of the Exchange Act shall be exercisable until at least six

A-11

months have elapsed from (but excluding) the date on which the Option was granted. The exercise price per share of Common Stock subject to each ISAR shall be set by the Committee. An ISAR is exercisable only while the Holder is an Employee or Consultant; provided that the Committee may determine that the ISAR may be exercised subsequent to Termination of Employment or Termination of Consultancy without cause, or following a Change in Control, or because of the Holder's retirement, death or disability, or otherwise.

(b) An ISAR shall entitle the Holder (or other person entitled to exercise the ISAR pursuant to the Plan) to exercise all or a specified portion of the ISAR (to the extent then exercisable pursuant to its terms) and to receive from the Company an amount determined by multiplying the difference obtained by subtracting the exercise price per share of the ISAR from the Fair Market Value of a share of Common Stock on the date of exercise of the ISAR by the number of shares of Common Stock with respect to which the ISAR shall have been exercised, subject to any limitations the Committee may impose.

8.4 Payment and Limitations on Exercise.

(a) Payment of the amounts determined under Section 8.2(c) and 8.3(b) above shall be in cash, in Common Stock (based on its Fair Market Value as of the date the Stock Appreciation Right is exercised) or a combination of both, as determined by the Committee. To the extent such payment is effected in Common Stock, it shall be made subject to satisfaction of all provisions of Section 6.3 above pertaining to Options.

(b) Holders of Stock Appreciation Rights may be required to comply with any timing or other restrictions with respect to the settlement or exercise of a Stock Appreciation Right, including a window-period limitation, as may be imposed in the discretion of the Committee.

ARTICLE IX.

ADMINISTRATION

9.1 Compensation Committee. The Compensation Committee (or another committee or a subcommittee of the Board assuming the functions of the Committee under the Plan) shall consist solely of two or more Independent Directors appointed by and holding office at the pleasure of the Board, each of whom is both a "non-employee director" as defined by Rule 16b-3 and an "outside director" for purposes of Section 162(m) of the Code. Appointment of Committee members shall be effective upon acceptance of appointment. Committee members may resign at any time by delivering written notice to the Board. Vacancies in the Committee may be filled by the Board.

9.2 Duties and Powers of Committee. It shall be the duty of the Committee to conduct the general administration of the Plan in accordance with its provisions. The Committee shall have the power to interpret the Plan and the Award Agreements, and to adopt such rules for the administration, interpretation, and application of the Plan as are consistent therewith, to interpret, amend or revoke any such rules and to amend any Award Agreement provided that the rights or obligations of the Holder of the Award that is the subject of any such Award Agreement are not affected adversely. Any such grant or award under the Plan need not be the same with respect to each Holder. Any such interpretations and rules with respect to Incentive Stock Options shall be consistent with the provisions of Section 422 of the Code. In its absolute discretion, the Board may at any time and from time to time exercise any and all rights and duties of the Committee under the Plan except with respect to matters which under Rule 16b-3 or Section 162(m) of the Code, or any regulations or rules issued thereunder, are required to be determined in the sole discretion of the Committee.

9.3 Majority Rule; Unanimous Written Consent. The Committee shall act by a

majority of its members in attendance at a meeting at which a quorum is present or by a memorandum or other written instrument signed by all members of the Committee.

9.4 Compensation; Professional Assistance; Good Faith Actions. Members of the Committee shall receive such compensation, if any, for their services as members as may be determined by the Board. All expenses and liabilities which members of the Committee incur in connection with the administration of the Plan shall be borne by the Company. The Committee may, with the approval of the Board, employ attorneys, consultants, accountants, appraisers, brokers, or other persons. The Committee, the Company and the

A-12

Company's officers and Directors shall be entitled to rely upon the advice, opinions or valuations of any such persons. All actions taken and all interpretations and determinations made by the Committee or the Board in good faith shall be final and binding upon all Holders, the Company and all other interested persons. No members of the Committee or Board shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or Awards, and all members of the Committee and the Board shall be fully protected by the Company with respect to any such action, determination or interpretation.

9.5 Delegation of Authority to Grant Awards. The Committee may, but need not, delegate from time to time some or all of its authority to grant Awards under the Plan to a committee consisting of one or more members of the Committee or of one or more officers of the Company; provided, however, that the Committee may not delegate its authority to grant Awards to individuals (i) who are subject on the date of the grant to the reporting rules under Section 16(a) of the Exchange Act, (ii) who are Section 162(m) Participants or (iii) who are officers of the Company who are delegated authority by the Committee hereunder. Any delegation hereunder shall be subject to the restrictions and limits that the Committee specifies at the time of such delegation of authority and may be rescinded at any time by the Committee. At all times, any committee appointed under this Section 9.5 shall serve in such capacity at the pleasure of the Committee.

ARTICLE X.

MISCELLANEOUS PROVISIONS

10.1 Not Transferable. No Award under the Plan may be sold, pledged, assigned or transferred in any manner unless and until such Award has been exercised, or the shares underlying such Award have been issued, and all restrictions applicable to such shares have lapsed; provided, however, that the restrictions set forth in the foregoing clause shall not apply to transfers (i) by will or the laws of descent and distribution, (ii) subject to the consent of the Administrator, pursuant to a DRO or (iii) subject to the consent of the Administrator, by gift of an Option by an Employee to a Permitted Transferee (as defined below) subject to the following terms and conditions: (a) an Option transferred to a Permitted Transferee shall not be assignable or transferable by the Permitted Transferee other than by DRO or by will or the laws of descent and distribution; (b) any Option which is transferred to a Permitted Transferee shall continue to be subject to all the terms and considerations of the Option as applicable to the original holder (other than the ability to further transfer the Option); (c) the Employee and the Permitted Transferee shall execute any and all documents reasonably requested by the Administrator, including, without limitation, documents to (A) confirm the status of the transferee as a Permitted Transferee, (B) satisfy any requirements for an exemption for the transfer under applicable federal and state securities laws and (C) provide evidence of the transfer; (d) the shares of Common Stock acquired by a Permitted Transferee through exercise of an Option have not been registered under the Securities Act, or any state securities act and may not be transferred, nor will any assignee or transferee thereof be recognized as an owner of such shares of Common Stock for any purpose, unless a registration statement under the Securities Act and any applicable state securities act with respect to such shares shall then be in effect or unless the availability of an exemption from registration with respect to any proposed transfer or disposition of such shares shall be established to the satisfaction of counsel for the Company. As used in this Section 10.1, "Permitted Transferee" shall mean (i) one or more of the following family members of an Employee: spouse, former spouse, child (whether natural or adopted), stepchild, any other lineal descendant of the Employee, (ii) a trust, partnership or other entity established and existing for the sole benefit of, or

under the sole control of, one or more of the above family members of the Employee, or (iii) any other transferee specifically approved by the Administrator after taking into account any state or federal tax or securities laws applicable to transferable Options.

No Award or interest or right therein shall be liable for the debts, contracts or engagements of the Holder or his successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law, by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect, except to the extent that such disposition is permitted by the preceding sentence.

A-13

Unless an Option has been transferred in accordance with this Section 10.1, (i) during the lifetime of the Holder, only he may exercise an Option or other Award (or any portion thereof) granted to him under the Plan and (ii) after the death of the Holder, any exercisable portion of an Option or other Award may, prior to the time when such portion becomes unexercisable under the Plan or the applicable Award Agreement, be exercised by his personal representative or by any person empowered to do so under the deceased Holder's will or under the then applicable laws of descent and distribution.

10.2 Amendment, Suspension or Termination of the Plan. Except as otherwise provided in this Section 10.2, the Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Administrator. However, without approval of the Company's stockholders given within twelve months before or after the action by the Administrator, no action of the Administrator may, except as provided in Section 10.3, increase the limits imposed in Section 2.1 on the maximum number of shares which may be issued under the Plan. No amendment, suspension or termination of the Plan shall, without the consent of the Holder, alter or impair any rights or obligations under any Award theretofore granted or awarded, unless the Award itself otherwise expressly so provides. No Awards may be granted or awarded during any period of suspension or after termination of the Plan, and in no event may any Incentive Stock Option be granted under the Plan after the first to occur of the following events:

(a) The expiration of ten years from the date the Plan is adopted by the Board; or

(b) The expiration of ten years from the date the Plan is approved by the Company's stockholders under Section 10.4.

10.3 Changes in Common Stock or Assets of the Company, Acquisition or Liquidation of the Company and Other Corporate Events.

(a) Subject to Section 10.3 (d), in the event that the Administrator determines that any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), recapitalization, reclassification, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, liquidation, dissolution, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or exchange of Common Stock or other securities of the Company, issuance of warrants or other rights to purchase Common Stock or other securities of the Company, or other similar corporate transaction or event, in the Administrator's sole discretion, affects the Common Stock such that an adjustment is determined by the Administrator to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to an Award, then the Administrator shall, in such manner as it may deem equitable, adjust any or all of

(i) the number and kind of shares of Common Stock (or other securities or property) with respect to which Awards may be granted or awarded (including, but not limited to, adjustments of the limitations in Section 2.1 on the maximum number and kind of shares which may be issued and adjustments of the Award Limit),

(ii) the number and kind of shares of Common Stock (or other

securities or property) subject to outstanding Awards, and

(iii) the grant or exercise price with respect to any Award.

(b) Subject to Sections 10.3(b)(vii) and 10.3(d), in the event of any transaction or event described in Section 10.3(a) or of changes in applicable laws, regulations, or accounting principles, the Administrator, in its sole and absolute discretion, and on such terms and conditions as it deems appropriate, either by the terms of the Award or by action taken prior to the occurrence of such transaction or event and either automatically or upon the Holder's request, is hereby authorized to take any one or more of the following actions whenever the Administrator determines that such action is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any Award under

A-14

the Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles:

(i) To provide for either the purchase of any such Award for an amount of cash equal to the amount that could have been attained upon the exercise of such Award or realization of the Holder's rights had such Award been currently exercisable or payable or fully vested or the replacement of such Award with other rights or property selected by the Administrator in its sole discretion;

(ii) To provide that the Award cannot vest, be exercised or become payable after such event;

(iii) To provide that such Award shall be exercisable as to all shares covered thereby, notwithstanding anything to the contrary in Section 5.3 or the provisions of such Award;

(iv) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar options, rights or awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices; and

(v) To make adjustments in the number and type of shares of Common Stock (or other securities or property) subject to outstanding Awards, and in the number and kind of outstanding Restricted Stock and/or in the terms and conditions of, and the criteria included in, outstanding options, rights and awards and options, rights and awards which may be granted in the future.

(vi) To provide that, for a specified period of time prior to such event, the restrictions imposed under an Award Agreement upon some or all shares of Restricted Stock may be terminated, and some or all shares of such Restricted Stock may cease to be subject to repurchase under Section 7.5 or forfeiture under Section 7.4 after such event.

(vii) Notwithstanding any other provision of the Plan, in the event of a Change in Control, each outstanding Award shall, immediately prior to the effective date of the Change in Control, automatically become fully exercisable for all of the shares of Common Stock at the time subject to such rights and may be exercised for any or all of those shares as fully-vested shares of Common Stock.

(c) Subject to Sections 10.3(d), 3.2 and 3.3, the Administrator may, in its discretion, include such further provisions and limitations in any Award, agreement or certificate, as it may deem equitable and in the best interests of the Company.

(d) With respect to Awards which are granted to Section 162(m) Participants and are intended to qualify as performance-based compensation under Section 162(m)(4)(C), no adjustment or action described in this Section 10.3 or in any other provision of the Plan shall be authorized to the extent that such adjustment or action would cause such Award to fail to so qualify under Section 162(m)(4)(C), or any successor provisions thereto. No adjustment or action described in this Section 10.3 or in any other provision of the Plan shall be

authorized to the extent that such adjustment or action would cause the Plan to violate Section 422(b)(1) of the Code. Furthermore, no such adjustment or action shall be authorized to the extent such adjustment or action would result in short-swing profits liability under Section 16 or violate the exemptive conditions of Rule 16b-3 unless the Administrator determines that the Award is not to comply with such exemptive conditions. The number of shares of Common Stock subject to any Award shall always be rounded to the next whole number.

(e) Notwithstanding the foregoing, in the event that the Company becomes a party to a transaction that is intended to qualify for "pooling of interests" accounting treatment and, but for one or more of the provisions of this Plan or any Award Agreement would so qualify, then this Plan and any Award Agreement shall be interpreted so as to preserve such accounting treatment, and to the extent that any provision of the Plan or any Award Agreement would disqualify the transaction from pooling of interests accounting treatment (including, if applicable, an entire Award Agreement), then such provision shall be null and void. All determinations to be made in connection with the preceding sentence shall be made by the independent accounting firm whose opinion with respect to "pooling of interests" treatment is required as a condition to the Company's consummation of such transaction.

A-15

(f) The existence of the Plan, the Award Agreement and the Awards granted hereunder shall not affect or restrict in any way the right or power of the Company or the shareholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of stock or of options, warrants or rights to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Common Stock or the rights thereof or which are convertible into or exchangeable for Common Stock, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

10.4 Approval of Plan by Stockholders. The Plan will be submitted for the approval of the Company's stockholders within twelve months after the date of the Board's initial adoption of the Plan. Awards may be granted or awarded prior to such stockholder approval, provided that such Awards shall not be exercisable nor shall such Awards vest prior to the time when the Plan is approved by the stockholders, and provided further that if such approval has not been obtained at the end of said twelve-month period, all Awards previously granted or awarded under the Plan shall thereupon be canceled and become null and void. In addition, if the Board determines that Awards other than Options or Stock Appreciation Rights which may be granted to Section 162(m) Participants should continue to be eligible to qualify as performance-based compensation under Section 162(m)(4)(C) of the Code, the Performance Criteria must be disclosed to and approved by the Company's stockholders no later than the first stockholder meeting that occurs in the fifth year following the year in which the Company's stockholders previously approved the Performance Criteria.

10.5 Tax Withholding. The Company shall be entitled to require payment in cash or deduction from other compensation payable to each Holder of any sums required by federal, state or local tax law to be withheld with respect to the issuance, vesting, exercise or payment of any Award. The Administrator may in its discretion and in satisfaction of the foregoing requirement allow such Holder to elect to have the Company withhold shares of Common Stock otherwise issuable under such Award (or allow the return of shares of Common Stock) having a Fair Market Value equal to the sums required to be withheld.

10.6 Loans. The Committee may, in its discretion, extend one or more loans to key Employees in connection with the exercise or receipt of an Award granted or awarded under the Plan, or the issuance of Restricted Stock awarded under the Plan. The terms and conditions of any such loan shall be set by the Committee.

10.7 Forfeiture Provisions. Pursuant to its general authority to determine the terms and conditions applicable to Awards under the Plan, the Administrator shall have the right to provide, in the terms of Awards made under the Plan, or to require a Holder to agree by separate written instrument, that (a) (i) any proceeds, gains or other economic benefit actually or constructively received by the Holder upon any receipt or exercise of the Award, or upon the receipt or resale of any Common Stock underlying the Award, must be paid to the Company, and (ii) the Award shall terminate and any unexercised portion of the Award (whether or not vested) shall be forfeited, if (b)(i) a Termination of

Employment or Termination of Consultancy occurs prior to a specified date, or within a specified time period following receipt or exercise of the Award, or (ii) the Holder at any time, or during a specified time period, engages in any activity in competition with the Company, or which is inimical, contrary or harmful to the interests of the Company, as further defined by the Administrator or (iii) the Holder incurs a Termination of Employment or Termination of Consultancy for cause.

10.8 Effect of Plan Upon Options and Compensation Plans. The adoption of the Plan shall not affect any other compensation or incentive plans in effect for the Company or any Subsidiary. Nothing in the Plan shall be construed to limit the right of the Company (a) to establish any other forms of incentives or compensation for Employees or Consultants of the Company or any Subsidiary or (b) to grant or assume options or other rights or awards otherwise than under the Plan in connection with any proper corporate purpose including but not by way of limitation, the grant or assumption of options in connection with the acquisition by purchase, lease, merger, consolidation or otherwise, of the business, stock or assets of any corporation, partnership, limited liability company, firm or association.

A-16

10.9 Compliance with Laws. The Plan, the granting and vesting of Awards under the Plan and the issuance and delivery of shares of Common Stock and the payment of money under the Plan or under Awards granted or awarded hereunder are subject to compliance with all applicable federal and state laws, rules and regulations (including but not limited to state and federal securities law and federal margin requirements) and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. Any securities delivered under the Plan shall be subject to such restrictions, and the person acquiring such securities shall, if requested by the Company, provide such assurances and representations to the Company as the Company may deem necessary or desirable to assure compliance with all applicable legal requirements. To the extent permitted by applicable law, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

10.10 Titles. Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of the Plan.

10.11 Governing Law. The Plan and any agreements hereunder shall be administered, interpreted and enforced under the internal laws of the State of Delaware without regard to conflicts of laws thereof.

SECTION 4.2 -- Option Price

(a) The price of the shares of Common Stock subject to each Option shall be equal to 100% of the fair market value of such shares on the date such Option is granted.

(b) For purposes of the Plan, the fair market value of a share of the Common Stock as of a given grant date shall be: (i) the closing price of a share of the Common Stock on the principal exchange on which shares of the Common Stock are then trading, if any, on such grant date, or, if shares were not traded on such grant date, then on the next preceding trading day during which a sale occurred; or (ii) if the Common Stock is not traded on an exchange but is quoted on Nasdaq or a successor quotation system, (1) the last reported sales price (if the Common Stock is then quoted on the Nasdaq National Market) or (2) the mean between the closing representative bid and asked prices (in all other cases) for the Common Stock on such grant date as reported by Nasdaq or such successor quotation system; or (iii) if the Common Stock is not publicly traded on an exchange and not quoted on Nasdaq or a successor quotation system, the mean between the closing bid and asked prices for the Common Stock, on such grant date, as determined in good faith by the Board; or (iv) if the Common Stock is not publicly traded, the fair market value established by the Board acting in good faith.

SECTION 4.3 -- Commencement of Exercisability

(a) Subject to Section 4.7, each of the Initial Option and Additional Option granted pursuant to Sections 3.3 through 3.5 shall become exercisable in equal annual installments of 10,000 on each of the first and second anniversaries, respectively, of the date of Option grant. Notwithstanding the foregoing, the Board of Directors may, in its discretion, provide that the exercisability of such Option be accelerated when the fair market value of the Company's Common Stock equals a certain price, which price shall be established by the Board of Directors on the date of grant of the Option.

(b) Notwithstanding the foregoing, an Outside Director may not exercise an otherwise exercisable Option unless such Outside Director attended at least seventy-five percent (75%) of the meetings of the Board during the twelve month period (the "Attendance Period") preceding the date of exercise of the Option; provided, however, that installment[s] of an Option which become[s] exercisable prior to the commencement of the Attendance Period shall remain exercisable by the Optionee.

(c) No portion of an Option which is unexercisable at Termination of Directorship shall, under any circumstances, thereafter become exercisable.

SECTION 4.4 -- Expiration of Options

Subject to Section 4.7, no Option may be exercised to any extent by anyone after the first to occur of the following events:

- (a) The expiration of ten years from the date the Option was granted;
- (b) The expiration of six months from the date of the Optionee's Termination of Directorship for any reason other than such Optionee's death unless the Optionee dies within said six-month period; or
- (c) The expiration of one year from the date of the Optionee's death.

SECTION 4.5 -- Consideration

In consideration of the granting of the Option, the Optionee shall agree, in the written Outside Director Stock Option Agreement, to serve as a Director of the Company until the next annual meeting of the stockholders of the Company. Nothing in this Plan or in any Outside Director Stock Option Agreement hereunder shall confer upon any Optionee any right to continue as a director of the Company.

SECTION 4.6 -- Adjustments in Outstanding Options

In the event that the outstanding shares of the stock subject to Options are changed into or exchanged for a different number or kind of shares or other securities by reason of merger, consolidation, recapitalization, reclassification, stock split-up, stock dividend or combination of shares, the Board shall, subject to Section 4.7, make an appropriate and equitable adjustment in the number and kind of shares as to which all outstanding Options, or portions thereof then unexercised, shall be exercisable, to the end that after such event the Optionee's proportionate interest shall be maintained as before the occurrence of such event. Such adjustment in an outstanding Option shall be made without change in the total price applicable to the Option or the unexercised portion of the Option (except for any change in the aggregate price resulting from rounding-off of share quantities or prices) and with any necessary corresponding adjustment in Option price per share. Any such adjustment made by the Board shall be final and binding upon all Optionees, the Company and all other interested persons.

SECTION 4.7 -- Occurrence of a Change in Control or Corporate Transaction

Upon the occurrence of either a Change in Control or a Corporate Transaction, each Option outstanding under the Plan shall be exercisable as to all shares covered thereby, notwithstanding anything to the contrary in Section 4.3(a) or Section 4.3(b). Upon the occurrence of any Change in Control, or upon stockholder approval of any Corporate Transaction, the Company shall promptly provide written notice thereof to each Optionee. No Option may be exercised to any extent after the occurrence of a Corporate Transaction; provided, however, that such termination of exercise rights shall not occur until after the related Corporate

Transaction has closed and appropriate arrangements shall be made to permit any Options outstanding to be exercised in connection with such closing.

ARTICLE V

EXERCISE OF OPTIONS

SECTION 5.1 -- Person Eligible to Exercise

During the lifetime of the Optionee, only the Optionee may exercise an Option granted to the Optionee, or any portion thereof. After the death of the Optionee, any exercisable portion of an Option may, prior to the time when such portion becomes unexercisable under Section 4.4 or Section 4.7, be exercised by the Optionee's personal representative or by any person empowered to do so under the deceased Optionee's will or under the then applicable laws of descent and distribution.

SECTION 5.2 -- Partial Exercise

Subject to Section 4.3, at any time and from time to time prior to the time when an exercisable Option or exercisable portion thereof become unexercisable under Section 4.4 or Section 4.7, such Option or portion thereof may be exercised in whole or in part; provided, however, that the Company shall not be

required to issue fractional shares.

SECTION 5.3 -- Manner of Exercise

An exercisable Option, or any exercisable portion thereof, may be exercised solely by delivery to the Secretary or his office of all of the following prior to the time when such Option or such portion becomes unexercisable under Section 4.4 or Section 4.7:

- (a) Notice in writing signed by the Optionee or other person then entitled to exercise such Option or portion thereof, stating that such Option or portion thereof is exercised, such notice complying with any applicable rules established by the Board;
- (b) Full payment for the shares with respect to which such Option or portion thereof is thereby exercised (i) in cash or by check or (ii) in shares of Common Stock valued as provided in Section 4.2(b) on the date of Option exercise;
- (c) Such representations and documents as the Board, in its absolute discretion, deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal or state securities laws or regulations. The Board may, in its absolute discretion, also take whatever additional actions it deems appropriate to effect such compliance including, without limitation, placing legends on share certificates and issuing stop-transfer orders to transfer agents and registrars; and
- (d) In the event that the Option or portion thereof shall be exercised pursuant to Section 5.1 by any person or persons other than the Optionee, appropriate proof of the right of such person or persons to exercise the Option or portion thereof.

SECTION 5.4 -- Conditions to Issuance of Stock Certificates

The shares of stock issuable and deliverable upon the exercise of an Option, or any portion thereof, may be either previously authorized but unissued shares or issued shares which have then been reacquired by the Company. Such shares shall be fully paid and nonassessable. The Company shall not be required to issue or deliver any certificate or certificates for shares of stock purchased upon the exercise of any Option or portion thereof prior to fulfillment of all of the following conditions:

- (a) The admission of such shares to listing or quotation on all stock exchanges or automated quotation services on which such class of stock is then listed or quoted, as the case may be;
- (b) The completion of any registration or other qualification of such shares under any state or federal law or under the rulings or regulations of the Securities and Exchange Commission or any other

B-6

governmental regulatory body, which the Board shall, in its absolute discretion, deem necessary or advisable;

- (c) The obtaining of any approval or other clearance from any state or federal governmental agency which the Board shall, in its absolute discretion, determine to be necessary or advisable;
- (d) The payment to the Company of all amounts which it is required to withhold, if any, under federal, state or local law in connection with the exercise of the Option; and
- (e) The lapse of such reasonable period of time following the exercise of the Option as the Board may establish from time to time for reasons of administrative convenience.

SECTION 5.5 -- Rights as Stockholders

The holders of Options shall not be, nor have any of the rights or privileges of, stockholders of the Company in respect of any shares purchasable upon the exercise of any part of an Option unless and until certificates

representing such shares have been issued by the Company to such holders.

ARTICLE VI

ADMINISTRATION

SECTION 6.1 -- Duties and Powers of the Board

It shall be the duty of the Board to conduct the general administration of the Plan in accordance with its provisions. The Board shall have the power to interpret the Plan and the Options and to adopt such rules for the administration, interpretation and application of the Plan as are consistent therewith and to interpret, amend or revoke any such rules.

SECTION 6.2 -- Majority Rule

The Board shall act by a majority of its members in office. The Board may act either by vote at a meeting or by a memorandum or other written instrument signed by a majority of the Board.

SECTION 6.3 -- Compensation; Professional Assistance; Good Faith Actions

Members of the Board shall receive no additional compensation for their services under the Plan. All expenses and liabilities incurred by members of the Board in connection with the administration of the Plan shall be borne by the Company. The Board may employ attorneys, consultants, accountants, appraisers, brokers or other persons. The Board and the Company shall be entitled to rely upon the advice, opinions or valuations of any such persons. All actions taken and all interpretations and determinations made by the Board in good faith shall be final and binding upon all Optionees, the Company and any other interested persons. No member of the Board shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or the Options, and all members of the Board shall be fully protected by the Company in respect to any such action, determination or interpretation.

ARTICLE VII

OTHER PROVISIONS

SECTION 7.1 -- Options Not Transferable

No Option or interest or right therein or part thereof shall be liable for the debts, contracts or engagements of the Optionee or his successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law, by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including, without limitation, bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; provided, however, that nothing in this Section 7.1 shall prevent

B-7

transfers by will or by the applicable laws of descent and distribution or pursuant to a qualified domestic relations order as defined under the Internal Revenue Code of 1986, as amended.

SECTION 7.2 -- Amendment, Suspension or Termination of the Plan

(a) The Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Board. However, without approval of the Company's stockholders given within 12 months before or after the action by the Board, no action of the Board may, except as provided in Section 2.3, increase the limit imposed in Section 2.1 on the maximum number of shares which may be issued on exercise of Options, modify the eligibility requirements of Section 3.1, increase the number of shares to be covered by Option grants under Sections 3.3, 3.4 and 3.5 reduce the Option price requirements of Section 4.2(a), change the exercisability provisions of Sections 4.3, 4.4 and 4.7 or extend the limit imposed in Section 7.2(c) on the period during which Options may be granted or otherwise take any action that would require stockholder approval under Rule 16b-3. Neither the amendment, suspension nor termination of the Plan shall, without the consent of the holder of the Option, alter or impair any rights or obligations under any Option theretofore

granted. Notwithstanding the foregoing, the Plan shall not be amended more than once every six months other than to comport with changes in the Internal Revenue Code of 1986, as amended, the Employee Retirement Income Security Act, as amended, or the rules thereunder.

(b) The Plan is intended to conform to the extent necessary with all provisions of the Securities Act and the Exchange Act and any and all regulations and rules promulgated by the Securities and Exchange Commission thereunder including, without limitation, Rule 16b-3. Notwithstanding anything herein to the contrary, the Plan shall be administered, and Options shall be granted and may be exercised, only in such a manner as to conform to such laws, rules and regulations. To the extent permitted by applicable law and notwithstanding Section 7.2(a), the Plan and Options granted hereunder shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

(c) No Option may be granted during any period of suspension nor after termination of the Plan, and in no event may any Option be granted under the Plan after the tenth anniversary of the Effective Date.

SECTION 7.3 -- Effective Date; Approval of Plan and Options by Stockholders

The effective date of the Plan shall be the effective date of the Company's initial public offering (the "Effective Date"); provided, however, that the Plan shall be submitted for the approval of the majority of holders of the outstanding Common Stock and the holders of more than 66 2/3% of the outstanding Series A Preferred Stock, Series C Preferred Stock and Series D Preferred Stock of the Company within twelve months after the date of the Board's adoption of the Plan. If such approval is not obtained, the Plan shall have no force or effect. Options may be granted prior to such stockholder approval under the circumstances and to the extent provided in the Plan; provided, however, that Options so granted shall be conditioned upon the stockholders' approval and shall provide that if such approval is not obtained, the Options shall be null and void and of no further force or effect.

SECTION 7.4 -- Effect of Plan Upon Other Option and Compensation Plans

The adoption of the Plan shall not affect any other compensation or incentive plans in effect for directors of the Company. Nothing in the Plan shall be construed to limit the right of the Company to grant or assume options otherwise than under the Plan in connection with any proper corporate purpose, including, without limitation, the grant or assumption of options in connection with the acquisition, by purchase, lease, merger, consolidation or otherwise, of the business, stock or assets of any corporation, firm or association.

SECTION 7.5 -- Notices

Any notice to be given under the terms of the Plan to the Company shall be addressed to the Company in care of its Secretary and any notice to be given to any Optionee shall be addressed to such Optionee at such Optionee's last address as reflected in the Company's records. By a notice given pursuant to this Section 7.5, either party may designate a different address for notices to be given to it, him or her. Any notice which is required to be given to an Optionee, if the Optionee is then deceased, be given to the Optionee's personal representative if such representative has previously informed the Company of his status and address by written

B-8

notice under this Section 7.5. Any notice shall have been deemed duly given if enclosed in a properly sealed envelope or wrapper addressed as aforesaid at the time it is deposited (with postage prepaid) in a post office or branch post office regularly maintained by the United States Postal Service.

SECTION 7.6 -- Titles

Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of the Plan.
